Post-Permanency Services

As an adoptive or guardianship parent, these services are available to you through CFSA.

Even though your family is thriving and your formal relationship with CFSA has ended, we are available to assist you when you need a helping hand. At CFSA we value strengthening families, especially those we had a hand in building.

CFSA Post-Permanency Services offer expert advice, support and referrals should you need help with child or family issues. We are here tomorrow, next month, and every day in the future.

We are still available to assist you!

Assisting you in managing the challenges and reaping the rewards
